

MCPU2+

CPU COOLER

Dual fin towers design with exclusive **nano-ceramic thermal** conductive treatment for **extreme** heat-dissipating **performance**

4pcs U-shape, Ø6mm, **high performance** copper heat pipes

Ultra-silent 92mm middle-located **highly performed** cooling PWM fan

Includes super conductive thermal Mars Gaming MT1 paste with max performance

FEATURES

Fan	ultra-silent 92mm PWM
Air flow	42.5 CFM
Speed	2200 RPM +-10%
Noise	20 dBA +-10%
Fin Material	Aluminum + Nano-ceramic thermal treatment
Heat pipe	Ø6mm x 4
MTBF	30.000h
Dimensions	93x75x125mm / 400g (Fan: 92x92x25mm)
